30 Gift Cards & Flyers put inside 30 regular #10 envelopes = 1 kit for \$1,695

A **SMALL kit** box consist of 7 digital products in it while a **BIG kit** box consist of 30 digital products

HOW THE SYSTEM WORKS:

AS A TERRITORIAL REPRESENTATIVE

We'll send you 29 SMALL KIT boxes of our digital products.

That's (7 digital products each x in 29 boxes) = 203 digital products in all

Each of that 29 boxes cost a distributor's price of \$395

$\$395 \times 29 \text{ boxes} = \$11,455$ for the 29 kits

Retail Price for each digital product is, \$99

Therefore $203 = \$99 \times 203 = \$20,097$

In other words, our distributors will pick the 29 kits from you for \$395 each and they'll pay you a total of \$11,455

Don't worry, we are the one to find you the people/distributors who'll contact you from your territory to purchase the kits from you. Just keep the 29 kits

We'll get for you up to 29 sellers/workers/distributors for your territory. You'll earn \$11,455 from the kits

They'll retail each of the 203 digital products from the 29 kit boxes for \$99 each and earn a total of \$20,097 income.

Once they buy the SMALL kit of 7 digital products from you for \$395, they'll sell each of the 7 for \$99 each and earn $\$99 \times 7 = \693

That's a 43% profit $(\$693 - \$395) = \$298$ profits

How do I EARN \$150 WEEKLY GUARANTEED PLUS UP TO \$99,000 WEEKLY INCOME AS A TERRITORIAL REPRESENTATIVE?

Your 1st Income Streams, We'll be paying you \$150 weekly. \$600 monthly. Guaranteed for representing us in your chosen territory. $\$150 \text{ WEEKLY} \times 156 \text{ WEEKS} = \$23,400$ from that alone

At the same time or from the 1st wk, we'll start to build up your sales work-forces /distributors for you from and for your Territory.

Your 2nd Income Streams, You'll earn \$11,445 from selling the 29 kits for \$395 each to your workforces/distributors.

Your 3rd Income Streams. You'll get paid 0.5% royalty from all sales that came from your Territory. For example, If we made \$2 million revenues a year from your Territory, you'll be paid \$20,000

As a company, We plan to be earning about \$170 million monthly. That's \$2 Billion a year. Up to \$10 million or more could be coming from your territory and that'll spell **\$50,000 or more monthly income** for you from just this 3rd income streams

Your 4th Income Streams. Your \$150 guaranteed weekly income will start to gradually grow from \$150 weekly to up to \$500 weekly to up to \$5,000 weekly up to a maximum of up to \$99,000 weekly

UP TO \$99,000 (\$99K) WEEKLY INCOME FOR ME FROM THE 4TH STREAMS BUT HOW?

Now, please read this section attentively & carefully.

Our Marketing Plan & Systems as laid out at **www.cashforce1.com** platform is a Networking System which **has no border or territory** therefore, because your 29 workforces/distributors were each allowed to bring up to 10 new distributors of their own into the **29** folks, that'll be up to $(29 \times 10) = 290$ **newly added workforces/distributors** and could grow up to another $(290 \times 10) = 2,900$ + the original 29 = a total of **up to 2,929 workforces/distributors working under you** but not from only your territory. Cashforce1.com platform **has no border or territory**

HOW DO I MAKE MY 4TH INCOME STREAM MONEY OF UP TO \$99,000 WEEKLY?

This information has been widely covered/released at the official website of **www.cashforce1.com**. **However**, we'll give you some brief info about it here as well.

As soon as you signed up as our territorial representative, we'll be paying you \$150 weekly. That \$150 weekly is guaranteed and it could grow to up to \$99,000 weekly.

Here's how:

Our first **consulting work** for you is to help you find **work-forces/distributors** for the 29 kit boxes we've sent to you.

While we were still doing that recruitment of your 29 distributors to work for your territory & beyond, we'll be paying you \$150 weekly. As soon as those 1 - 29 distributors of

As soon as those 1 - 29 distributors of started working & selling, we'll be increasing your \$150 weekly income.

We'll pay you 10% of \$99 or \$9.90 each time any of these 1-29 distributors sold a product for \$99 each.

Now let's say for example, these 29 workers were each selling only 7 digital products a week.

That'll be (7 products x 29 workers) = 203 sales per week from 29 sales people.

Therefore, we'll add \$2,009.70 weekly onto your \$150 weekly pay and you'll be getting paid \$2,209.70 weekly.

If the 29 workers numbers now jumped from 29 to 39 - 290 workers/distributors and the up to 290 workers were pushing an average of 7 sales weekly. That'll be (7 products x 290 workers) = 2,030 sales per week from 290 sales people.

Therefore, we'll add (\$9.90 x 2,030) = \$20,097.00 weekly to your \$150 weekly pay and you'll be getting paid \$20,409.00 weekly.

If the 290 workers numbers now jumped from 290 to 300 - 2,900 workers/distributors and the up to 2,900 workers were pushing an average of 7 sales weekly. That'll be (7 products x 2,900 workers) = 20,300 sales per week from 2,900 sales people.

Therefore, we'll add (\$9.90 x 20,300) = \$200,970.00 weekly to your \$150 weekly pay and you'll be getting paid \$201,170.00 weekly.

That's over **\$200,000 weekly income potential for you**

However, we capped it off or we applied a maximum limit to only \$99,000 weekly and not more than 1,000 workers under one Territorial Representative or Distributor

FOR HOW LONG CAN SOMEONE BE A TERRITORIAL REPRESENTATIVE?

The Contract will be valid for 3 years or 156 weeks and can be renewed based on the existing or a new term or conditions. Should the company have a new term at that time, it'll take precedence over the old term(s)
